

**We are recruiting a Multi-Skilled Fabricator to join our expanding workforce.**

Established in 1986 and based in the Peak District, we are an independent manufacturer of bespoke architectural metalwork for the hospitality, construction and domestic markets. We are a growing business, who's reputation for its products is building too.

**About the role:**

We are looking for a highly motivated individual who is open to meeting new challenges. The ideal candidate will have experience working in a manufacturing environment, can precisely follow drawings and can contribute positively to our continuous improvement.

- Must be experienced with MIG welding and all aspects of fabrication.
- Experience of working with aluminum is desirable, but not essential for the right candidate.
- Minimum of 5 years Fabrication experience is required &/or relevant qualifications.
- Good Knowledge of power tool use.
- Able to work effectively on your own and part of a team.
- The ability to work within a fast paced environment.
- Flexible and self-motivated.
- A strong attention to detail.
- The ability to ensure all works are completed to a high standard within a tight timescale.
- Undertake all reasonable instruction given to you by your direct line manager and/or other site and senior company management.
- To follow all company Health & Safety site rules and can work safely. Follow all company policies and procedures and abide by all applicable legislation whilst carrying out your duties.
- Able to maintain good housekeeping standards
- Must have a desire to learn - full training will be given.

Pay Negotiable (depending on experience), 40hours, 5 weeks holiday initially PLUS statutory bank holidays.

- Working hours: Monday - Friday 08:30 - 17:00. Additional overtime may be available from time to time when work load is at an increased level.

**Job Types:** Full-time, Permanent

**Pay:** Negotiable

**Additional pay:**

- Overtime (when available)
- Discretionary bonus scheme

**Schedule:**

- 5 Day – Monday - Friday

**Experience:**

- Fabricating: Minimum 5 years &/or relevant qualifications

**Work remotely:**

- No

**COVID-19 precaution(s):**

- Personal protective equipment provided or required
- Temperature screenings
- Sanitisation, disinfection or cleaning procedures in place.

Vacancy to be filled ASAP. To register an interest in this opportunity, please contact [hr@leanderuk.com](mailto:hr@leanderuk.com) with your current CV and covering letter.
